Subject: Thank you for fighting trafficking with us this year. Here"s the Year End Recap.
Date: Thursday, December 20, 2018 9:40:12 AM

It's been a busy year.

Thank you for being a part of it. Read on to see what we've been up to!

New Year, New TJ

We just released a new version of Traffic Jam. With a completely new visual experience and mobile-friendly interface, you can start off your year fresh and use AI right from your phone.

Bookmark **this link** to access! See a walk-through of new Traffic Jam **here**.

A Holiday Gift to You

In 2019, we are partnering with the University of Pittsburgh to support a human trafficking hackathon. If you

holiday

fill out our survey, as our gift to you, you will be entered to win a $30 Starbucks gift card!

Proud to Partner with AWS

We are proud to partner with Amazon Web Services, which helped bring you FaceSearch facial recognition in Traffic Jam.
Read more on the AWS Blog.

Online Sex Ads Rebound

The close of Backpage.com put an end to the single largest site in the U.S. for online sex ads. However, ads have moved quickly into other venues online, now surpassing the volume on Backpage.com.

Marinus Announces Partnership with HPE

In Madrid this November, Marinus Analytics announced our partnership onstage with HPE CEO Antonio Neri. Marinus Founder Emily Kennedy speaks about the impact of AI and facial recognition. **Watch here.**
